3.4 Let’s March!

Warming Up!

Chit-Chat: -

Discuss in your group.

- What difference do you notice in the two images?

Ans: The first image shows the child labour. He has to work even in his childhood. The second image shows the school-going child. He is enjoying his childhood.

- Which of the two situations, should change?

Ans: The first situation should change. The child should go to school and enjoy his childhood instead of working as a child labour.

- How and when can the situation change?

Ans: The situation can be changed by giving education to all. It can be changed when all parents provide education to their children. Free and compulsory education up to higher secondary level can change the situation.

- How can you, as a student, contribute and help make a difference to the needy children?

Ans: As a student, I can create awareness among the society about the child labour. I can help poor and needy students. I can give my old books and notes to such students. I and my friends can collect the funds to help the needy children.

1. (A) A good well-organized speech contains the following characteristics and steps.
