**“My experience in boring time of COVID- 19”**

**Ans: “My experience in boring time of COVID- 19”**

Many things have changed as a result of COVID19. Normally I would be at school on the weekdays in the company of feriends , but with everything changed completely with COVID 19 .

Instead of being in a classroom and learning, we are given work online.

I am completely confined in the home .I am not allowed to go out of the house . I feel like a prisoner. It is very difficult to spend time without company of friends and relatives.

There was a time when we enjoyed playing video games and spending a lot of time watching T. V. but now all these seems so boring. Now I miss my classes.. Waiting eagerly to meet my friends ,my teachers , foot ball matches, and all. I am praying God to eradicate corona from the earth .
