## Learning Activity:3

Write a paragraph about your favourite season. You may use following points (brain storming)

Rainy season, spring season, Winter season, autumn, Longer days and weather is warmer. Trees bear new leaves. /shoot Bees and butterflies appear. The birds chirping. Many great pleasures.

### Spring is my favourite season

Spring is my favourite season. During spring, the days are longer and the weather is warmer. The trees start to bud and the flowers bloom. Bees and butterflies appear letting us know that summer is near. The birds chirp happily as they migrate back to warmer climate. The spring season offers so many great pleasures. We enjoy a lot in spring season. Spring is the symbol of life. It gives joy after three months of winter. Sky becomes clear and blue. River flows slowly and steadily. Temperatures are not too cold and not too hot. You can walk and smell the flowers beginning to flourish. ... It lets you know that summer is near and so is summer vacation.

### Extension Activity /Parallel activity / Reinforcement:

Write a paragraph about your favourite FRUIT. Banana, Apple, Pineapple, Custard apple, Chikku, etc. Complete the paragraph with proper beginning and end.

### My favourite FRUIT

My favourite fruit is Mango. I like mangoes very much. Mango is national fruit. All Indians love to eat mangoes. It is very juicy. People eat not only raw mangoes but also eat ripe mangoes. We make pickle of raw mangoes. Mango is very famous in domestic life. It grows in summer season. It is refreshing as well as sweet. It is king of fruits. I like it very much. (ADD YOUR OWN POINTS)
