Q. 3) Read the passage and do as directed. (05 marks)

I was born and brought up in a village in northern Karnataka. Things were very simple in those days. If you didn't like a person, you could just tell him to his face why you were upset with him. If somebody helped you, you could show your gratitude without any reservation. If somebody did wrong, we asked for justice. There was no hide and seek when it came to feelings. Maybe it was not civilized or polished behaviour, but it was definitely a straightforward society and a simple life.

1) Complete the following sentences. (01 Mark)

a) The writer was born in

b) If somebody helped you, you could show you

2) Find out the adjectives for following nouns. (01 Mark)

a) Karnataka

Turn the sentence “Things were very simple” into simple present tense:

Ans: "Things are very simple."

(4) If somebody helps you, how do you react? (02 Marks)

Ans: If somebody helps me, I react with gratitude and appreciation. I would thank the person for their assistance and might offer to return the favour in the future.

Q. 4) Summarize the following passage and suggest a suitable title. (05 Marks)

Interpol is an international criminal police organization. The word 'Interpol' derived from the two words 'International' and 'Police'. Interpol is a strictly non-political, nonreligious, non-racial organization in which the police forces of more than hundred nations co-operate with each other. Its headquarters are situated in Paris. The job of Interpol is to trace criminals. According to international law, police of one country cannot enter the territory of another country to apprehend a criminal who, after committing a crime, has absconded there. Interpol helps in situations to trace out the criminals. Every country has its representative in Interpol. Interpol makes use of the most modern scientific means to catch the criminals. To trace and arrest criminals is the only function of this organization. It cannot be used for any political, military or religious activity.

Ans:

Title: Interpol: International Crime Fighters

Summary:

Interpol is a global organization based in Paris that brings together police forces from over a hundred countries. Its main mission is to track down criminals who have fled across borders after committing crimes. Interpol uses modern scientific methods to catch these criminals and operates strictly within the confines of law, remaining entirely non-political, non-religious, and non-racial.
