Father: Sure! What do you think about it?

Son/Daughter: Mobile phones are helpful for staying connected, but some people misuse them by spending too much time on social media or playing games. It can affect their studies, work, and relationships.

Father: True. We should use phones responsibly and set limits on screen time. We can also use them for learning and be careful about what we share online.

Son/Daughter: Right. Excessive screen time can harm our health, so we should take breaks and do physical activities.

Father: Exactly. It's all about finding a balance and using phones wisely, so they don't control our lives.

Son/Daughter: Agreed. Let's be mindful and enjoy the benefits of phones without falling into misuse.
