17th July, 2023.

To,  
The Chief Officer,  
Pollution Control Office,  
Nagpur.

Subject: Campaign for celebrating Diwali without crackers.

Dear Sir,

This letter is with a humble request to organize an awareness campaign among the general public for celebrating Diwali festival without crackers in order to stop air pollution. We need to make the general public aware that celebrating Diwali without crackers does not ruin the festival of lights. It will actually spare citizens from lethal doses of toxic substances that are not measured in routine pollution checks such as mercury, lead and aluminium.

The Pollution Board needs to conduct a thorough campaigning by displaying the information about the harm caused by firecrackers much more aggressively. Stringent measures are required to be taken by the board for controlling the burning due to crackers which can only be done by putting a ban on bursting crackers and cautioning people against burning of crackers.

Thank You,  
Yours Obediently,  
Radhey Jadhav
