Niagara Falls is viewed by thousands of tourists every year.

Ans: Niagara Falls attracts thousands of tourists annually.

Extension/Parallel Activity/Reinforcement:

□ Read some books of fiction, biography, write any original idea from the book and paraphrase it. Share in class the next day.

Ans:

Book: Biography - "Wings of Fire" by Dr. A.P.J. Abdul Kalam

Original Idea from the Book: "Wings of Fire" is an autobiography of Dr. A.P.J. Abdul Kalam, the former President of India and renowned scientist. The book narrates his inspiring journey, from being a humble boy from Rameswaram to becoming a prominent aerospace engineer, visionary leader, and the President of India, known as the "People's President."

Paraphrased Idea:

In the pages of "Wings of Fire," Dr. A.P.J. Abdul Kalam shares his awe-inspiring life story, taking readers on a transformative ride from his modest beginnings in Rameswaram to becoming a celebrated aerospace engineer and visionary leader. The autobiography paints a vivid portrait of the journey of the "People's President," showcasing his relentless pursuit of knowledge, unwavering determination, and his deep commitment to the progress and welfare of his fellow citizens.
