Suyog: Hello Jamia, how are you?

Jamia: Fine, thank you. And how about you?

Suyog: I'm also fine, Jamia. We are in an intermediate class. So, we

must choose our career now.

Jamia: You are quite right. Success in life depends on the right choices of career.

Suyog: We must choose our career properly. May I know your choice of career?

Jamia: Yes, of course. I have decided to become a doctor. Do you like this profession?

Suyog: Yes, I do. It is a good profession. Could you tell me why you have chosen this profession?

Jamia: Most of our people are deprived of the doctors' service.

Suyog: Yes, there is a shortage of good doctors in our country. The people who live in the villages cannot consult a good doctor.

Jamia: I want to serve the people.

Suyog: Are you willing to go to the villages if necessary?

Jamia: Yes, of course. Through this profession, I will be able to earn money honestly. Well, could you tell me about your choice of career?

Suyog: Of course. I want to be an agriculture officer.

Jamia: Most students like to be doctors, Engineers, or administrators. Why not you?

Suyog: Our country is an agricultural country. Our economy depends on agriculture.

Jamia: Yes, it is correct. Please tell me about your plan.

Suyog: I will get myself admitted into an Agricultural University. After completing my education, I will join the service of the agriculture cadre. I will make research on agriculture.

Jamia: It's a noble profession too.

Suyog: I'll teach the farmers about the modern method of cultivation.

Jamia: I appreciate your plan.

Jamia: Of course. We must do well in the H.S.C Examination, otherwise we will not be able to become a doctor or agriculture officers.

Suyog: Of course. Thank you, Jamia. It was really nice speaking to you.

Jamia: You're welcome. Goodbye. See you again.

Suyog: Bye.
