Denmark's performances in the ongoing tournament, where they have responded to the Eriksen trauma in such inspiring fashion, should keep England focused ahead of the semi-final.

England have the chance to reach a first major final since their 1966 World Cup triumph when they take on Denmark at Wembley in Wednesday's Euro 2020 semi-final, but they will need to banish a history of stumbling at this stage.

Gareth Southgate's side were impressive in their 4-0 dismantling of Ukraine in Rome on Saturday, heralding a wave of euphoria in the country as media showered the team in praise.

England fans need no reminder, however, that their team have lost four major semi-finals since Alf Ramsey's team's title.
