## How to express thoughts & ideas Coherently & Effectively?

## Learning Activity: Picture Observation".

To observe a picture and write down the various feelings and emotions of different people. Also, use your ideas to express your feelings.

In this picture, I can see many people doing various activities. Some children are playing in the garden. They are very happy. A dog is chasing a boy. He is a very scared one. Some are screaming in anger. Some are joyous and some are frightened. Little ones are enjoying. They love the games.

## Now here is an emotional wheel. Draw the emoji's related to the emotions Extension Activity

Show the various pictures of feelings and emotions and ask them to identify the mood. Also, ask them to write or speak a single line on every feeling /emotion.

## Observe the picture, think over it and then tell his/her feelings/ideas about the picture.

I can see two people in the picture. One is very poor with torn clothes another is a rich one like a gentleman. I think the person in the torn clothes is a beggar. He is asking for alms. The gentleman is asking him some questions. I think he is asking him not to beg and workhand to earn his bread and butter because the beggar is a healthy one. The gentleman is also showing him the proper way of earning.
