(05 Marks)

The lion walks
on podded paws,
The squirrel leaps
from limb to limb,
While flies can crawl
straight up a wall,
And seals can
dive and swim.

The worm be
wiggles all around,
The monkey
swings by his tail,
And birds
may hop upon the ground

Or spread their wings
and sail
But boys and girls
have much more fun;
They leap and dance
and walk and run.

(05 Marks)

Carver wanted to help the poor farmers who had small farms in Alabama. He showed them how to get good crops. These farmers grew plants like cotton because there was profit in it. But cotton made the soil poor. Carver told them to grow crops like peanuts and beans. These crops made the soil rich again. The farmers got very good crops. In fact, the crops were so good that the farmers did not know what to do with so much of them!

Again, Carver went to work. He began to look for new uses for these plants. Can you imagine how many uses he found? From peanuts, he made sugar, ink, boot-polish, colours, soap, paper, tiles, butter, plastic, milk, ... as many as 300 things! From sweet potato, he made as many as 118 things. Soon, these crops were in great demand and the farmers were happy.

This great scientist died in 1943. The place where he worked is now turned into a 'museum'.
