**(1) My School:**

My school is a special place for me. It's not just where I learn, but it's also where I have friends and make memories. The school building has classrooms, a library, and a playground where we spend a lot of our day. Teachers are like guides, helping us learn. My friends at school are like family, and we have lots of fun together in class and during activities. My school helps me grow and learn for the future.

**(2) My Favorite Bird:**

I really like eagles. Eagles are strong, graceful, and they can fly really high. They represent freedom and power, and it's amazing how they soar in the sky. Eagles have sharp eyes and are good at hunting. People think of them as brave and tough birds. When I see an eagle in

the sky, it reminds me of the beauty of nature.

My pet is a friendly dog named Max. Max is part of our family and has been with us for a long time. He makes us happy and is always excited when we come home.
