4) Setting goals may appear difficult but it is quite easy to achieve.

Ans: False.

Champions aren't made in gyms, Champions are made from something they have deep inside them---a desire, a vision, a dream. They have to have a skill and the will. But the will must be stronger than the skill. Successful professionals thrive in the same manner. We all have natural talents. If we use that to set our goal in life, we can easily get success in life. We shall not achieve our goals if we do not take action to achieve them. Setting goals has two valuable assets---a sense of originality and a stepping stone to illuminate the path. Goals put one of the helm of life; pursuing them acknowledges a better future situation. They help to steer a course of life rather than simply drifting along and letting things happen. Setting goals may appear easy, but, for some, it is quite challenging. Fear of failure may be avoided in the absence of any goals. After all, one has to decide what one wants to achieve in the end. To accomplish goals, experts recommend a five step approach

2. We shall not achieve our goals If we do not take action to achieve them. (Rewrite the sentence with ‘We take action...’)

Ans: We take action to achieve our goals.

A.5 What do you like to achieve your goal?

Ans: In order to set my goal, I will use my strong will power and natural talent to decide my goal. I know to set a goal is easy but difficult to achieve. To achieve my goal I will strive with the help of my natural talent hard work and perseverance. I'll not be disappointed with a little failure. Despite this I'll go ahead.

Passage No.2

A1. Read the following passage and fill in the blanks:

1. We need to bring _____ down to earth.

3. We kept quality and quantity of impact _____ the result.

Ans: We kept quality and quantity of impact energy the result.

4. Visions, wishes, intentions, and dreams are all _____

Ans: Visions, wishes, intentions, and dreams are valuable.

All these have to be practiced and implemented without hesitation, doubt or indifference. Visions, intentions, wishes and dreams are all valuable. They spark Imaginations and encourage us to define where we want to reach. In order to get there, however, we need to bring life images down to earth and plan to execute our strategies. The quantity of energy we put

forth, directly impact the result. Life is something like a trumpet. If we don't put anything in, we can't get anything out. Success is a walk in dark. Finding the right footing, precisely mastering the skill and getting to the next place, all depend on how we approach and tackle the problem. The best way to get from where we are, to where we want to be is to find the footing of our next step. When we take the next step, it should support and hold us without a crack.

A2. Which elements are responsible and helpful for us to reach our goal? How?

Ans: Visions, intentions, wishes and dreams are all valuable. They can spark off our imaginative power and encourage us to determine where we want to approach to our goal or destination.

4)precise	adverb	precisely

A4. Do as directed:

1) Life is something like a trumpet.

(Frame a W-h type question to get the underline word as answer)

Ans: What is like life?

2) In order to get success, we need to bring life images.

(Use 'With a view to instead of underlined phrase)

Ans: With a view to getting success, we need to bring life images.

A5. What is your opinion about this?

Ans: When we say we want to achieve something means we have to give time, do hard work, perseverance. We have to prepare ourselves mentally and physically. We should make our strong

will power and prepare a plan to execute. Sometime we have to wait for a long time. Because success is gradual and time taking process. Without hesitation, fear, and doubt, we have to start our work positively. In short, if we want to get something, we have to put a lot.
