

A Statement of Purpose

- * **A Statement of Purpose (SOP) is a personalized application seeking admission to a university for a particular course.**
- * **It is a brief essay describing you as the person you are, your goals and your plans.**
- * **Whereas an SOP is a subjective assessment of your personality your unique qualities and strengths as you perceive them.**

Format of the SOP

(1) The SOP should be ideally of around 500 words divided into five or six paragraphs.

(2) The introduction should be followed by a short sketch of your personal background, your mental make-up and your aim in life. This forms the first paragraph.

(3) The second paragraph must contain the reason of choosing the particular programme or course. You should be able to connect your area of interest with the selection of course.

(4) In the third paragraph you can write about your personal qualities that will stand in your favour for pursuing the said course. Also write about your hobbies and extra curricular activities here and mention how they will support your goal.

(5) You can mention your experience or exposure to the said field in your fourth paragraph. This could be an internship or a project that you did. You can also mention here some facts that make you distinct from other applicants.

(6) The concluding paragraph must reflect your long term career perspective. You should also state here how immensely beneficial it would be for you to get admission to this particular university and course.

1) Statement of Purpose:

Read the following personal details and prepare a suitable statement of purpose. You are an avid animal lover. You have a pet dog and some love birds at your home. You are extremely fond of them. You have been a member of a bird watcher's club. You have loved going on safari. You have taken care of orphan animals or animals who are hurt. In school you loved biology. Now you wish to make career in this field. The university of Cambridge offers an excellent course/programme which would boost your career Make a statement or Purpose which will help you to get admission to this university.

Right from my childhood I love the subject biology I still remember how I used to spend my time with my grandfather and uncle on our farm, they used to toil the land while used to watch insects, animals and birds and used to forget myself in that. As I went in a school and jr. college my passion towards these things increased and now my next destination is to register myself in in the university of Cambridge for higher studies and research,

I have spent an amazing one year on the beaches of Orrisa and in Maharashtra at Malvan, doing| detailed study and protection of Olive Ridley turtles from fishermen in India. As I am a student, I was a volunteer for this programme. I extended my help in research work and protecting turtles by patrolling during night. collecting eggs. hatching these eggs etc. I loved keeping a watch on variety of birds. taking care of them which resulted in making me popular as a member of a bird watchers club. It has sharpened and enables my personality in many ways. It has certainly exposed me for my university life since I have acquired required necessary skills which will be needed for a new life far away from my family and friends and relatives

All this background has certainly given me a proper platform and I am quite confident that I have a natural liking for this branch of science. I specifically love ecosystem and have really enjoyed all of the modules I have taken. Rather than doing physical or research work I love doing practical work and is looking to get exposure and experience with properly developed pieces of apparatus at university.

During my school days I had taken different types of responsibilities. When I was in the final year of my school was nominated as a perfect student of the school. Here I got acquainted with numbers of new skills like along with confidence while communicating with people and oratory skill. At college also it continued and I was appointed as a university representative which gave me an opportunity to attend many meetings and workshops with the intelligent and knowledgeable people like the vice- chancellor of the university. University chancellor and there I could voice my students views to them.

I love playing badminton and represents India at national level. For me it is an excellent exercise to my mind as well as body When I will join our university. I would like to take part in other sports activities which will open a new way to develop friendship and keep me healthy also. I feel that to achieve my expertise in this field I have the best place which is Cambridge university. I hope you all will consider my application positively.

Statement of Purpose:

Read the personal details given below and prepare a suitable Statement of Purpose. Government Law College at Mumbai of Mumbai University is one of the leading college or the study of law. You belong to a lawyer's family and would like to pursue your career in law as you like to help your father and uncle in their law firm in future. In your junior college you have opted for Arts stream and have scored well in your std. X Board Examination. You also have won two state level debate competitions organised by prestigious colleges. Your hobbies are literary activities like elocution, debate and essay writing. You also get well along with people

On 20th March, 2020 when I switched on my television set the news of 4 Nirbhaya gang rape culprits hanging at Tihar jail New Delhi early in the morning flashed out. After a long delay of 8 years the criminals were hanged. My mother once had told me "Justice delayed is justice denied". At this point only, the seed was sown to give justice to those who are deprived from it.

When I turned the pages of history. I remembered many such incidents where people couldn't get justice. I used to argue with my maternal uncle who is an advocate in Supreme Court of India and who knew inside and outside of the courts. He is the man who propelled me to join law as my career. My passion for law and natural justice has encouraged me to apply to one of the best law institutions in our country.

Being an art's student, I participated in many intercollegiate debate competitions and won victory for my college and me. As a capable leader of my college I pursue many academic matters related to the students in the academic council. It was the most valuable experience that helps me to be a good leader and to fight against injustice. I am sure that this would be rightly channelized in your esteemed institution.

I always have a great respect for the most prestigious Law College from where many great lawyers have passed out including our former president Dr. Pratibhatai Patil. My final goal is to become a cybercrime lawyer who will help the nation and defence and police departments of our country. I am very optimistic that this can be achieved only by securing admission in your school of law.

Statement of Purpose:

Read the following personal details and prepare a suitable statement of purpose. You have always been fascinated by building construction. Once your dad saw you completely engrossed in watching construction work next to your house. After that identifying your interest. He registered your name in designing and drawing class. From that time. You wanted to become a Civil Engineer. you have taken science stream in your junior college after an excellent score in SSC board examination. In your free time you love reading national and international magazines on designing and construction. Draft a Statement of Purpose that will help you to get an admission at M. Vishwesharraya College of Engineering Dharwad. Karnataka.

I still remember the day when my maternal uncle had gifted me a toy house a type of bungalow on the occasion of my 10th birthday. Like every other child, I loved to play with that toy house with my friends around the house. But I was different from all others that made distinct was my curiosity which drove me to open each and every part of it as I wanted to know how it is built.

My father realised my interest early and directed me to go and visit his cousin who is an architect and had an idea about construction work. While working with my uncle my inclination for construction work grew. My uncle not only taught me tricks and logic of designing in construction work but directed me about the basics in construction work and guided about the various career opportunities in Construction Engineering

When I went in 10th standard my decision to become construction engineer become sure and belief also got my strengthened and I decided that I will make my career as a construction or civil Engineer. From this time. I started reading all well-known and popular magazines in engineering such as Construction and Buildings, interiors etc. I got good marks in my SSC examination and was able to get an admission for science stream in Mumbai's reputed college named Ruia College. Matunga.

I have always tried my best to do my work with reasoning and proper analysis. My interest in building sample houses and designing them has helped me in it a lot. Making clay models of houses at a exhibition has won me a lot of appreciation from the well-known people from the Civil Engineering field.

Getting an admission in an institution named after M.Vishweshwarrayya, a well-kown Engineer of India at Dharwad is always my dream. The chance of getting admission and be a part of rigorous syllabus designed to suit the good students of the country would certainly lead me in right direction to serve the common people of the country through civil engineering.

Rachna Institute of Architecture at Mumbai is one of the leading college for the study of architecture in a country Your grandfather is a wel-known architecture of the city and you would like to pursue your career in In the same field like your grandfather as you like to help him in future. In your Junior college you have opted for Science stream and have scored well in your std. X Board Examination. You also have won two state level designing and sketching competitions organised by prestigious colleges. Your hobbies are drawing, painting, sketching etc. prepare a Statement of Purpose on the given topic in about 150 words.

STATEMENT OF PURPOSE ON ARCHITECTURE

When I was in 9th standard Dad drove me to planned city called New Mumbai and later on to the South Mumbai. After showing me NRI Colony and wide roads and Palm Beach road of New Mumbai we went to South Mumbai. There I clambered the steps of double decker BEST bus I was literally in awe when I saw superb century old structures, gothic structures, monuments, churches, buildings, Gate Way of India. and many sky scrapers like Videsh Sanchar Bhavan, Mantralaya building. I was amazed when I saw India's oldest railway station Chhatrapati Shivaji Maharaj Terminus (V T) and its Gothic columns I felt as if I was wandering on one of the oldest city of Britain named London. This is where I got the seed of architecture sowed in me.

I knew I wanted to do some creative work. My passion for art was seen when I was in school. I was good at drawing as well as sketching. My drawing teacher Dixit sir inspired me to pursue my career in the field which is related to my interest. During summer vacation I started making clay models, here my dad told me if you want to create something new you must imagine, imagination is everything.

Apart from my academic activities, I also have participated in many exhibitions and have showcased my talent of architecture. I have earned many trophies, awards and certificates in sketching and photography. This was distinctly gratifying experience for me which drove me to join the best institution of architecture in India.

For years, I have had my sights set on studying architecture at Rachna institute of architecture at Mumbai. I am ready to strive hard and challenge myself as a student of architecture. In the future, my aim is to have an aesthetic sense while designing and constructing buildings or villas. Through architecture I can leave my imprint on the modern world. I can achieve this goal when I will get registered my name in your esteemed institution.

Statement of Purpose:

Imagine that after your 12th standard you would like to pursue your career in music, You have been inspired the singing of S P Balasubramanian the great singer of India, You have won best singers award at collegiate and intercollegiate level. Prepare a Statement of purpose for Undergraduate Music school.

Music is a blessing it makes us to forget our selves and our sorrows. My cousin siister who is al classical singer has told me. there is a music in everything in nature. Only one need to keep his/ hers ear open to receive it. She says in flowing water, chirping of birds, in lowing wind in everything there is music. As I grew up my thirst for music too grew and I started to follow my sister in singing in my life.

I met my first guru in Nature followed by my sister. I normally used to play Violin with her some tines even Dagga and Tabla too. The intricacies of classical and western music always fascinated me to explore more about music. I really fortunate to study music under the able guidance of well-known music guru shri Rahul Deshpande sir and the name of the music school is "Swaradhana".

The classes of harmony. Beats. Music analysis, composition background score, editing. Synthesising etc. have matured as a singer. In my school days, I was a pioneer member of my school's music club. We had started a Music Association for students and it was damn successful that time. In jr, college Tarangan Musical Club' was a real platform for me to show case my talent.

Till now I have performed solo and duet singing of songs at musical concert in various college| festivals. I also have won two district level and one state level best singers award at the hands of the well-known singer Sudesh Bhosleji and Aasha Khadilkar the well-known singers from Bollywood. Singing Infront of them was an experience for me. It as shown the importance of teaching and learning of music which makes me to think my career as a singer.

This is a reason. Why 1 feel prepared to enter your undergraduate programme of music. if accepted. I promise I shall leave no stone unturned in my study of classical and western music fusion. After my studies. I plan to go to the people and offer my service as a singer with a goal of nurturing the legacy to generation next.

Prithviraj Kapoor Dance school is one of the leading educational institute in the field of dance for the artists all over India. Right from the age of 8 you have been taking a training to become a classical dancer from Pandit Birjumaharaj . because of him you got an opportunity to perform in Some dance shows at Pune International Dance Festival during Ganeshotsava and even have won award at the hands of Hema Malini the well-known dancer and actor of Bollywood. You are very fast in learning the steps and clear about the instructions. Dancing has helped you in winning many trophies for your college. Prepare a statement of purpose that will make a way for you to secure an admission In this institute.

In my early childhood I don't know but I had a different swing in my walk and I always used to do some or the other tricks with my steps. It was my uncle who found that I could dance on any tune or song and try to copy the steps of the actor. He was enough brilliant to notice that I was interested in dancing and therefore he supported me to follow my dream.

Right from my 8th age I was registered in Pandit Birju Maharaj sir's Dance Academy at Goregaon Mumbai. I was also watching all dancing shows on television and was trying to follow the Western Dance and hip-hop dance styles. My dance class literally helped me by giving an opportunity to dance at various dance shows in Mumbai and region. Here only first time I came in front of camera in famous Ganeshotsav Dance Festival at Pune. Everybody appreciated my performance including judges of the event and audience. There only first time I felt I have to continue my detailed study in dance only.

As a school student I was average in my study but was an avid dancer who loved to perform in each and every event. I won district as well as state level competitions for my school as well as jr. college. My skill of having detailed attention to whatever being taught in class. good memory of each and every step and flexibility in body and steps, dedication won me many awards at different places.

Later on I started a class for the students of my area and school to teach dancing and even started doing choreography of dances at school and college annual day functions. For me dancing is therapy and healing yoga for mind and body.

Hence Prithviraj Kapoor Dance School at Juhu Mumbai is India's well known and reputed dance school for the student like me. If I would get an entry here it would open many more doors for me at national and international level and will help me to showcase my talent.

Film and Television Institute of India is one of the leading institute of India for the study of acting You belong to a family of drama actor and would like to pursue your career in acting related music field. Your hobbies nmimicry. and wrapping You have won many prizes at school and college level at the hands of well-known personalities. You would like to work as a voice over actor. Prepare Statement of purpose on it.

STATEMENT OF PURPOSE -VICE OVER ARTIST

One of my most cherished family memory is gathering together on couch and watching jungle book animated series. In the show KAA and Mougli characters were always my favourite characters. I remember as a child dreaming and imitating the voice of kaa or Mougli after the show. Although the serial got ended my interest continued in the same. My fascination for this continued with new ideas and innovations spurred me to study voice culture in the field of music industry. It has inspired me to apply this Voice over artist diploma course.

During my college years. I took my desire to develop a voice over artist and joined a musical group of cultural association of my college. Together we all classmates pitched an idea for to give our voice to some other character. In our college drama competition I gave my voice to one of my friend who was playing a character of an animal elephant. Everybody appreciated my voice given there. I even won a prize for lending my voice. I still remember how astonished and happy I was! There I decided to continue my skill and make career in this field as a voice over artist.

As a student of music I know how much it is important to maintain one's voice and nurture it and to take care of it. I know how much important and well known this profession is. Through this voice over diploma course I hope to gain better knowledge of it. That knowledge can empower me| to make my career in this field. I believe that the relationship that I will build during this course my studies and greatly will benefit me as a voice over artist.

This diploma as a voice over artist will enable me to make my ideas a reality through this music industry. It will give me the experience and experience will lead me to make my career in the music field. I will be happy to join this FT. Pune as a student
